

Better Pumps. Better Coverage.

Chrysler Fuel Pump Modules Technical Service Bulletin

The Problem:

Several OE Chrysler fuel pump modules feature a paper strainer/filter element. A design change to this element results in a fuel pump that looks significantly different from the original fuel pump.

The Solution:

The Airtex pump features a dual-zone strainer/ filtration design to provide better trapping of fuel system contaminants. In order to improve filtration of fuel entering the fuel pump, the pump uses a media-material fuel pump filter/strainer. To better filter fuel going to the fuel injectors, the Airtex pump relocates the paper filter into the regulator assembly. The use of both media-material filter/strainer in addition to the paper filter/strainer provides improved filtration of fuel throughout the system, ensuring contaminants are trapped at multiple points. The difference in appearance is related to the enhanced dual-zone filtration, improving performance while retaining the precise fit required in today's applications.

OEM Strainer

Regulator/Filter

Media Material Type Strainer

PART NO.	MAKE	MODEL	YEAR	APPLICATION
E7047M	DODGE TRUCK	D100, 150, 200, 250, 300, 350 Pickup 2 Wheel Drive	92-91	360 (5.9L)
	DODGE TRUCK	D100, 150, 200, 250, 300, 350 Pickup 2 Wheel Drive	93-91	318 (5.2L)
	DODGE TRUCK	D100, 150, 200, 250, 300, 350 Pickup 2 Wheel Drive	93-91	239 (3.9L) (X)
	DODGE TRUCK	D100, 150, 200, 250, 300, 350 Pickup 2 Wheel Drive (w/22 Gal. Tank, D150/350, w/Return System, Pump Assembly does not include Pressure Regulator)	1993	360 (5.9L)
	DODGE TRUCK	W100, 150, 200, 250, 300, 350 Pickup 4 Wheel Drive	92-91	360 (5.9L)
	DODGE TRUCK	W100, 150, 200, 250, 300, 350 Pickup 4 Wheel Drive	93-91	239 (3.9L), 318 (5.2L)
	DODGE TRUCK	W100, 150, 200, 250, 300, 350 Pickup 4 Wheel Drive (w/22 Gal. Tank, W150/350 w/Return System, Pump Assembly does not include Pressure Regulator)	1993	360 (5.9L)
	E7049M	DODGE TRUCK	B100, 150, 200, 250, 300, 350, 1500, 2500, 3500 Vans	1991
DODGE TRUCK		B100, 150, 200, 250, 300, 350, 1500, 2500, 3500 Vans	93-91	239 (3.9L) (X)
DODGE TRUCK		B100, 150, 200, 250, 300, 350, 1500, 2500, 3500 Vans	93-92	318 (5.2L)
DODGE TRUCK		B100, 150, 200, 250, 300, 350, 1500, 2500, 3500 Vans	93-92	360 (5.9L)
		(All Tanks, w/Return System, Pump Assembly does not include Pressure Regulator)
